

ACCA Courses

January – June 2022

Welcome to Reed Business School

We provide the very highest standard of professional accountancy training to help you achieve your goals.

Our courses are structured for classroom face to face teaching. In response to COVID, students are provided with the option to attend face to face or to attend remotely as live on-line. Our recommendation is students attend face to face as we feel this offers many benefits from remote learning however we also understand that certain circumstances may reduce this first choice option.

Benefits of attending Reed Business School courses include:

- Nestled within the heart of the Cotswolds, our school is the perfect setting for breeding success
- Dedicated, experienced tutors who are subject specialists who will support you through your studies
- Small classroom based learning with likeminded peers to share your studies with
- Courses are hosted on Teams with all the materials in a digital format and all classes recorded for you to refresh and replay during your home studies
- A relaxing and friendly environment for you to concentrate on your studies
- Residential facilities for those who do not live locally or want to take the advantage to use the valuable time whilst staying at the Business School to continue your studies with no domestic, travel or other distractions

Learn in the way that's right for you

We understand that some people are very committed to their studies and are able to undertake several papers at once, while others prefer a slower and more balanced approach. And while our small-group classroom training is second to none in the industry, we've also developed online and blended learning approaches, so you can access our teaching where and when it suits you.

Classroom face to face

A traditional scheduled programme, with face-to-face tutor led classes at our idyllic Cotswolds school setting.

Hybrid Live On-Line

Join the class remotely live on-line. Please note this is not designed as 'catch-up' and students need to attend in real-time to have the opportunity to engage with the tutor and class peers.

The course is taught via Teams and all students attending either classroom or remote will need a laptop to attend. Classes are recorded and available to view throughout your studies.

Investing in the right technology

All our courses are delivered via Microsoft Teams. This platform provides many benefits to the student experience:

Instant access

Every teaching day is recorded and saved to the subject Team.

Immediate online student feedback

Using automated feedback forms allows students to have a voice and help enhance the learning experience by being able to submit their feedback easily throughout the course.

You will be supported every step of the way by our professional tutors. You will have digital copies of all your materials, practice exams and tutor de-brief.

Mock exams

We've always been advocates of mock exams, and these will be managed all in one place, improving the student experience.

Regular assignment monitoring

We've implemented day to day assignments for certain modules to allow greater insight on student progress.

Collaboration

All communication with your tutor is via Teams – providing a full audit record with useful additional resources easily shared.

Student communication

The Teams app enables instant messaging and allows Tutors and staff to respond to queries quickly.

SBR & AAA UK options

In order to apply for a UK & Ireland Audit Practising Certificate which will enable you to sign off audit reports in the future, students must sit the UK variant exams for both SBR & AAA.

We suggest you discuss the need for this with your training manager and should you wish to take the UK variant you will need to select this when you apply for your exams with ACCA. Our course will be suitable for both International and UK options for both SBR & AAA.

No pass – free re-sit

We are fully confident that our ACCA training programme will ensure your success at your examination sitting. In testimony to our belief in our courses, we are willing to offer any student who is unsuccessful at their exam sitting, a free place on the equivalent paper which will remain valid for 12 months.

To qualify for the no pass free re-sit offer, students need to:

- Have attended all Reed Business School full link and revision courses including QBD day (where relevant)
- Completed in full and submitted for marking the course assignment that is set during the tuition phase
- Submit revision mock examinations (sat under exam conditions at the business school) or attend the QBD where applicable and attempt all questions
- Attend a re-sit course within 12 months of failed sitting
- One free revision re-sit course per student per paper
- There will be no charge for tuition fees. Accommodation, course material and CBE fees, if applicable, will be charged at the published rates
- For eligible re-sit students wishing to re-sit in March/September when we do not have a course scheduled, we will offer a revision mock exam with marking/feedback free of charge.

Cancellation Policy

Right to Cancel

You have the right to cancel a contract entered into under the Terms ("Contract") within 14 days without giving any reason.

The cancellation period will expire after 14 days from the day (i) of our acceptance of your Order, for purchased Courses; or (ii) on which you, or a third party indicated by you (other than the carrier), acquire physical possession of the Materials, for purchased Materials.

To exercise the right to cancel, you must inform us of your decision to cancel by a clear statement (e.g. a letter sent by post to the address on the attached model cancellation form, or an e-mail sent to rbs.reed@reedbusinessschool.co.uk). You may use the attached model cancellation form, but it is not obligatory.

To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

Effects of cancellation

If you cancel a Contract, we will reimburse to you all payments received from you, including the costs of delivery (except for supplementary costs arising if you chose a type of delivery other than the least expensive type of standard delivery offered by us).

We may make a deduction from the reimbursement for loss in value of any goods supplied, if the loss is the result of unnecessary handling by you.

We will make the reimbursement without undue delay, and not later than:

- a) 14 days after the day we receive back from you any goods supplied, or
- b) (if earlier) 14 days after the day you provide evidence that you have returned the goods, or
- c) if there were no goods supplied, 14 days after the day on which we are informed about your decision to cancel the Contract.

We will make the reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of the reimbursement. We may withhold reimbursement until we have received the goods back or you have supplied evidence of having sent back the goods, whichever is the earliest.

You shall send back the goods to Reed Business School, The Manor, Little Compton,

Moreton-in-Marsh, Gloucestershire GL56 0RZ without undue delay and in any event, not later than 14 days from the day on which you communicate your cancellation of the Contract to us. The deadline is met if you send back the goods before the period of 14 days has expired.

You will have to bear the direct cost of returning the goods. You are only liable for any diminished value of the goods resulting from the handling other than what is necessary to establish the nature, characteristics and functioning of the goods.

If you requested to begin performance of services during the cancellation period, you shall pay us an amount which is in proportion to what has been performed until you have communicated to us your cancellation of the Contract, in comparison with the full coverage of the Contract.

The tutor was very engaging and continuously made sure we understood. The best training provider that I've ever studied at!
