Our award-winning, flexible blended learning courses offer you the best of both worlds, both online and on campus:

Online

Access lessons at any time, from any device.

High-quality video lectures, animations and interactive case studies bring concepts to life.

Study around your work and life commitments.

On Campus

Regular classes help to embed your learning.

Reed Business School tutors guide you through the course.

Studying with classmates provides extra support and motivation.

"I have found the Online and On Campus method of learning to be really thorough and very flexible! Access to the on-demand online learning platform gave me a sense of control and focus when studying."

Lynette Cooper
Online and On Campus
Accounting Student

Three Reasons to Study

1. Achievement

Over 80% of Online and On Campus students who complete their qualification achieve a merit or distinction grade.

2. Recognition

AAT qualifications are internationally recognised and trusted by employers who like the emphasis they place on real-life accounting skills.

3. Progression

AAT courses offer a clear progression path - from Level 2 to Level 4, with the opportunity then to study higher level qualifications and achieve chartered or management accountant status.

80%

of members that have completed an AAT accounting qualification agree it has increased their earning potential
